### **Becky Brown, Broker/Realtor® Assumes Broker-in-Charge Responsibilities at KBT Realty Group - Keller Williams INNOVATE**

*Broker-in-Charge Kirk Pugh shifts his focus to growing innovative services at KBT Realty Group as firm co-founder Becky Brown assumes BIC role.*

[Wilmington NC, May 26 2022] Broker-in-Charge responsibilities at KBT Realty Group have moved from Kirk Pugh, Broker/Realtor®, to KBT co-founder Becky Brown, Broker/Realtor®. The Broker-in-Charge, or BIC, is the Broker designated as the primary person having sole responsibility for the supervision and management of an office. Pugh has served as BIC for [KBT Realty Group](#) since he and Brown founded the brokerage in 2015.

“Broker-in-Charge is the highest level of real estate licensure you can reach in North Carolina, and it has been one of my career goals to earn that designation,” says Brown. “As a 50%-woman owned business, it’s exciting for me to assume the responsibilities of BIC for our team.”

Brown now supervises the 23 licensed real estate agents with KBT Realty Group.

Pugh will expand his role at the firm as he grows the newly created commercial real estate division, KBT Commercial; explores development opportunities; and expands KBT’s representation in Keller Williams Luxury, which specializes in real estate in the \$1M+ bracket.

“I’m excited to be able to focus on exploring innovative services to offer buyers and sellers in the Cape Fear,” says Pugh. “With the addition of commercial broker Shawn Roberts to the team, and the many growth opportunities that continue to open for KBT, I see many new projects in the near future. Of course, I continue to help clients realize their real estate ownership and investment objections in our ever-dynamic southeastern coastal real estate market.”
